| COVID-19           | <ul style="list-style-type: none"> <li>• Limited impact, primarily regarding meeting new customers, cross-border travel and logistics</li> </ul>                                                                                                                                                                                                                                      |

# Business update for TOMRA Collection Solutions

## Solid growth driven by European markets

### Collection Solutions

- Growth of 35% in Europe in the period compared to first quarter 2020
- Successful expansion in The Netherlands, high activity level in Germany and the positive momentum in Northern Europe continues
- Stable business in North America
- Positive quarter over quarter volume development in Australia

## Update on new deposit markets<sup>1)</sup>

### The Netherlands – July 2021 and December 2022 (expansion)

- In April 2020, the DRS was extended to include deposit on small plastic bottles as of July 2021<sup>2)</sup>.
- In February 2021, the decision of deposit introduction on cans was announced<sup>3)</sup> with start date on December 31<sup>st</sup>, 2022.

### Slovakia – January 2022

- In September 2020, Slovakia announced implementation of a deposit system on beverage packaging as of January 1<sup>st</sup>, 2022.
- In January 2021, the scheme administrator was selected<sup>4)</sup>.

### Latvia – February 2022

- In August 2020, Latvia announced the introduction of a deposit system starting February 1<sup>st</sup>, 2022<sup>5)</sup>.
- On April 9<sup>th</sup> this year TOMRA was selected as reverse vending technology provider. A negotiation period will follow with contract signing scheduled for July 1<sup>st</sup>, 2021.

### Scotland – July 2022

- In May 2020, the Scottish Parliament approved DRS regulations with the commencement date on July 1<sup>st</sup>, 2022.
- In March 2021, the scheme administrator was appointed.

### Victoria – 2023

- In April 2021<sup>6)</sup>, the government of Victoria announced a split responsibility model for DRS to start in 2023.

# Business update for TOMRA Recycling Mining

All time high order backlog<sup>1)</sup> at the end of first quarter

## Waste sorting and plastics recycling

- Good momentum in the order intake
- All time high order backlog in waste sorting and plastics upgrading

## Metal recycling and mining

- Positive development in the order intake
- Improved industrial demand and commodity prices
- Launch of a new mining product for small diamonds recovery

High commodity prices support the recycling market

Illustration<sup>2)</sup> of price development of virgin PET and recycled PET (rPET)

## Product launch – recovery of small diamonds

- Diamonds and gemstones represent the largest application category in mining
- The TOMRA COM XRT 300 /FR sorter completes the portfolio offering enabling TOMRA to be a one-stop shop for diamonds sorting

# Business update for TOMRA Food

## Positive momentum in both fresh and processed food

### Processed Food

- Improved investment sentiment
- Strong order intake in potatoes and the nuts and dried fruit categories

### Fresh Food

- Sustained growth in fresh food
- All time high order intake driven by blueberry, cherry and kiwi

## Order intake growth<sup>1)</sup> of 24% quarter over quarter

### Nuts & dried fruit sorting

**30-35%**  
Market share worldwide<sup>\*\*)</sup>

- Second largest category in processed food
- Successful launch of the new TOMRA 5C sorter for nuts and dried fruit which incorporates the digital offering TOMRA Insight

- Top category in fresh food, together with apples and citrus
- Good momentum, order intake
- AI offering (LUCAi<sup>TM</sup>) in blueberry sorting

### Blueberry sorting

**50-60%**  
Market share worldwide

# Circular Economy – TOMRA is the go-to partner

Joint forces  
Bridge the quality gap

**Henkel** “One major challenge towards more circular packaging is the availability of high-quality recycled plastics that can be used in the packaging of our brands.”

Dr. Thorsten Leopold, Director International Packaging Technology  
Home Care Henkel

New food grade material  
Recycled polystyrene (rPS)

Styrenics Circular Solutions, which TOMRA is part of has filed the first application for EU authorization of mechanically recycled polystyrene as food contact material.

Innovation in applications  
Textile sorting

TOMRA and Stadler delivered the first automated plant for textile sorting as part of the Swedish Innovation Platform for Textile Sorting, a government-funded project.

Circular solutions  
Counting and sorting center

TOMRA and Viridor have formed a partnership in a bid to design, build and operate counting and sorting centers for the Scottish deposit return scheme.

A photograph of two young girls at a water station. The girl in the foreground, with dark hair and a denim jacket, is holding a clear plastic water bottle. She is looking towards the right. Another girl with blonde hair is partially visible behind her, also holding a bottle. The background is bright and out of focus. A dark blue horizontal band is overlaid across the middle of the image, containing the text 'FINANCIALS AND OUTLOOK' in white.

# FINANCIALS AND OUTLOOK

# Currency risk and hedging policy

**10% change in NOK towards other currencies will impact:**

|            | Revenues     | Expenses    | EBITA        |
|------------|--------------|-------------|--------------|
| EUR*       | 4.5%         | 4.0%        | 7.0%         |
| USD        | 3.5%         | 2.5%        | 8.0%         |
| OTHER**    | 2.0%         | 3.0%        | -4.0%        |
| <b>ALL</b> | <b>10.0%</b> | <b>9.5%</b> | <b>11.0%</b> |

## Revenues and expenses per currency:

|          | EUR <sup>1</sup> | USD  | NOK | OTHER <sup>2</sup> | TOTAL |
|----------|------------------|------|-----|--------------------|-------|
| Revenues | 45 %             | 35 % | 0 % | 20 %               | 100 % |
| Expenses | 40 %             | 25 % | 5 % | 30 %               | 100 % |

## Assets and liabilities per currency:

|             | EUR <sup>1</sup> | USD  | NOK  | OTHER <sup>2</sup> | TOTAL |
|-------------|------------------|------|------|--------------------|-------|
| Assets      | 45 %             | 15 % | 10 % | 30 %               | 100 % |
| Liabilities | 55 %             | 15 % | 10 % | 20 %               | 100 % |

<sup>1</sup> EUR includes DKK

<sup>2</sup> Most important: AUD, NZD, RMB, CAD, SEK, GBP and JPY

NOTE: Estimated and rounded figures

## HEDGING POLICY

### CASHFLOW AND P/L

- TOMRA can hedge up to one year of future predicted cash flows. Gains and losses on these hedges are recorded at the finance line, not influencing EBITA

### B/S

- TOMRA only hedges B/S items where exchange rate fluctuations could have P/L impact. Gains and losses on B/S hedging are recorded in accordance with IAS 21 and will normally not have P/L impact

### **Disclaimer**

This Document (which may be a presentation, video, brochure or other material), hereafter called Document, may include and be based on, inter alia, forward-looking information and statements that are subject to risks and uncertainties that could cause actual results to differ. The content of this Document may be based on current expectations, estimates and projections about global economic conditions, including the economic conditions of the regions and industries that are major markets for TOMRA Systems ASA and its subsidiaries and affiliates. These expectations, estimates and projections are generally identifiable by statements containing words such as “expects”, “believes”, “estimates” or similar expressions, if not part of what could be clearly characterized as a demonstration case. Important factors that could cause actual results to differ materially from those expectations include, among others, changes in economic and market conditions in the geographic areas and industries that are or will be major markets for TOMRA Systems ASA. Although TOMRA Systems ASA believes that its expectations and the Document are based upon reasonable assumptions, it can give no assurance that those expectations will be achieved or that the actual results will be as set out in the Document. TOMRA Systems ASA does not guarantee the accuracy, reliability or completeness of the Document, and TOMRA Systems ASA (including its directors, officers and employees) accepts no liability whatsoever for any direct or consequential loss arising from the use of this Document or its contents. TOMRA Systems ASA consists of many legally independent entities, constituting their own separate identities. TOMRA is used as the common brand or trademark for most of these entities. In this Document we may sometimes use “TOMRA”, “TOMRA Systems”, “we” or “us” when we refer to TOMRA Systems ASA companies in general or where no useful purpose is served by identifying any particular TOMRA Company
